## Christmas in July - Sovereign Hill

During the day, Christmas trees and colourful decorations will line the Main Street. 'Hands-on' activities for children, a full theatre program, faux snow falls and delicious treats bringing Christmas cheer to all. By night, as the sun sets and the snowflakes fall, Main Street will be transformed by sparkling grand-scale images and bright Winter Wonderlights dancing along its familiar façades.

## MONTH OF JULY

Melbourne is made for winter!

When the weather gets colder, the city comes alive with food festivals, art shows, theatre, markets and lots more.

Projected lights transform Gertrude Street into an outdoor gallery, so rug up and head out into the night. For those crisp, sunny mornings check out some of Melbourne's most iconic buildings and private residences as part of Open House Melbourne.

## Swan Lake at the Princess Theatre

The St Petersburg Ballet Theatre will grace the stage of Melbourne's grandest theatre, the Princess, for a strictly limited season this June with their world-renowned production of Tchaikovsky's Swan Lake.

## GET TO KNOW US

RUN MELBOURNE is the biggest annual charity event of the year and 3 of our amazing staff members are participating!

David: Over the past few years I have been trying to challenge myself in both my professional life by moving States (4 so far + 1 territory), moving hotels & assisting different teams (9 hotels in 10 years). So this year I have decided to challenge myself as well as assisting the charity.

Alice: "To accomplish things out side of my comfort zone. Regardless if I run, walk, crawl, or am dragged by the ear of my fellow Accor team Mates, I will cross that finish line!"

Duane: "I am participating in this charity run because it is a fitness goal I've wanted to achieve. Also, I am raising funds leading up to the event for Beyond Blue, an organisation very close to my heart."
